Note: This analysis measures annual wage rates at points in time. Because employees receive step increases on their anniversary date throughout the year, the budget impact will be less. This reflects step increase as though they were effective January 1st.

In the 2008 budget 2 Attorneys positions were eliminated from the Corporation Counsel - Child Support Enforcement Division.

In order to provide a meaningful comparison, these positions that were vacant in the first half of 2007 have been removed from 2006 and 2007. These employees will still receive the retro pay due them

The 2008 general increase is 2% on 4/1/08 and 2% on 10/1/08. This results in a 2% build on the base for the 2009 wages.

This sets the 2009 base at 4% greater than 2008.
