INFORMATION ONLY

WHEREAS, Racine County Code of Ordinances Sec. 14-27 created a golf course improvement trust fund to be funded with golf course user fees to be used solely for the improvement of the County golf courses at Browns Lake and Ives Grove; and

WHEREAS, Racine County Code of Ordinances Sec.14-26 established the intent of the golf course improvement program which is to have user fees used for the purpose of improving County golf courses and to eliminate as much as possible the need for these costs to be placed on the property tax; and

WHEREAS, there is a need for continuing improvements to the Racine County courses over the next six years; and

WHEREAS, the current surcharge user fee is \$0.50 on each 9 hole play, including play passes, and on each 9 hole motorized cart rental and these fees have been in place since 1990; and

WHEREAS, a request for proposals from interested golf course management firms is being solicited for the years 2006 through 2011 and knowledge of the user fee for those years will promote gaining competitive, accurate and advantageous proposals for the operation of the Racine County courses.
