**7 Mile Road full closure between the East Frontage Road and
State Highway "38" to begin on Monday October 24th**

Caledonia – The intersection of 7 Mile Road and County Highway "V" will be completely closed beginning on Monday morning, October 24, 2016. The two-week closure is needed since the intersection of 7 Mile Road and CTH "V" will be reconstructed. Seven Mile Road will be closed from the East Frontage Road to STH "38", and CTH "V" will be closed from County "G" to the County Line. The intersection reconstruction is expected to end by November 5, but the construction schedule is weather dependent.

Seven Mile Road and CTH "V" will be closed to all traffic at the construction site. A detour for each road has been posted to direct traffic around the closed intersection. A detour has been posted for 7 Mile Road traffic to use the East Frontage Road, CTH "G", CTH "H", and STH "38". The other detour has been posted for CTH "V" traffic to use CTH "G", CTH "H", STH "38", and STH "100". Motorists should schedule an extra 10 minutes to drive the detour routes.
