SUBJECT: 2016 RACINE COUNTY MATCHING GRANT PROGRAM RESULTS AND
REQUEST TO RENEW THE PROGRAM IN 2017 UNDER SAME PARAMETERS

The purpose of this memorandum is to provide Racine County ("County") with the 2016 results for the Racine County Matching Grant Program ("MGP") that is administered on behalf of the County by Racine County Economic Development Corporation ("RCEDC") and to request renewal of the program in 2017 under the same policy parameters as created and implemented in 2016. It is also requested that the unused funds from 2016 in the amount of \$4,019.50 be rolled over into 2017 and made available for future grants.

HISTORY

In 2004 Racine County established a Manufacturing Renewal Grant Program ("MRG"). This was followed up with the establishment of the Minority Matching Grant Program ("MMG") in 2006. The goal of these programs was to assist small businesses with training, marketing, and other services and resources in order for the businesses to stay in operation and provide jobs for Racine County residents. Over the years the programs underwent various changes in terms of eligible applicants, eligible use of funds, and the approval process. In 2015 Racine County Vice Chairperson Pam Zenner-Richards requested that RCEDC review how and when the funds were available to women owned businesses. This request was a catalyst for an overall review of the program with Racine County leadership. The end result was a consolidation of the MRG and MMG into the MGP.

OVERVIEW OF THE MGP

The goal of the MGP is to provide a means for the existing small and medium sized Racine County companies to obtain professional services necessary for a strong foundation for continued business growth and provide jobs for Racine County residents. The MGP is a reimbursement based matching grant program up to \$2,500 per business per year to support training costs and marketing consultants. Companies are eligible for MGP funds based on meeting the following criteria:

- Located in Racine County;
- For profit entity;
- Been in operation for more than two continuous years (from the date of the first sale);
- Less than 200 employees at the Racine County location;
- Less than \$25 million in gross annual US Sales;
- Manufacturer with NAICS code of 31, 32, or 33; or 51% owned by ethnic/racial minority; or 51% owned by a women; or a manufacturing company that was recruited by RCEDC who has begun its Racine County operations with a sales office or distribution facility with the intent to establish

- a manufacturing operation in Racine County within a defined period of time; or a Company enrolled in the RCEDC/RAMAC Living as a Leader program or the RCEDC CEO Roundtable;
- Working with one of the following Racine County partner organizations: RCEDC (loan recipient or engaged in an incentive agreement); Gateway Technical College training program; Racine Area Manufacturers and Commerce ("RAMAC") training; Wisconsin Women's Business Initiative Corporation ("WWBIC") loan recipient, class, training; Small Business Development Center ("SBDC") class, training, consulting; Independent Consultant (deemed appropriate by RCEDC Staff and Loan Committee); RCEDC CEO Roundtable; and RCEDC/RAMAC Living as a Leader Program; and
- Current with all Racine County real estate taxes and certify that the company is current with all other financial obligations and taxes.

RCEDC staff reviews each of the applications received to ensure the applicant meets the eligibility criteria identified above and works with the applicant, if requested, to complete an application. RCEDC staff makes a recommendation to the RCEDC Loan Committee for approval of the grant application.

SUMMARY

Interest from prospective applicants continues to be strong for the MGP program. Upon approval for the program in 2017, the RCEDC's Loan Committee will start considering applications. Detailed results for 2016 are included in the below Report section.

Re: Purchase of Three Mowing Trailers for Parks Division, Public Works and Development Services Department

The Public Works and Development Services Department would like to purchase three (3) new trailers for moving mowing equipment around the county to facilitate mowing in county parks and on bicycle trails. For the last several years, grass mowing in county parks and on bicycle trails was contracted out. The trailers that were used for the parks in the past have been repurposed for other uses in the department.

The purchase price for the three new trailers is \$14,697.00 (See attached Exhibit A.) The trailers will be purchased from Specialty Contractors Equipment in Burlington, WI. After a review of available funds, it was found that the 2017 Capital Equipment account has an available balance of \$371,914.00. There are sufficient funds within this account to purchase the mowing trailers at a cost of \$14,697.00.

Sincerely,

David A. Prott

RE: Movement of Youth Aids funds to BHS Budget

Behavioral Health Services provides emergency and ongoing evaluation, treatment, medication evaluation and prescribing to all youth placed in the ACE programming overseen by the Youth and Family Division. Treatment staff are also participants in each youth's treatment planning and ongoing evaluation. Not all the service that BHS provides to these youth is covered through insurance.

The Youth and Family Division has no youth in State Corrections. The request to shift \$40,000 of Youth Aids funding from Corrections to BHS allows these services to continue uninterrupted. Additionally, this allows Racine County to continue to provide superior service to youth who would otherwise be placed in State Corrections.
