#4A. Racine County Register of Deeds, Tyson Fettes spoke on the disaster response to the Burlington Flood in July 2017.

Before speaking about the flooding Mr. Fettes spoke to two vital records questions which Chairman Bernberg asked. The first was the change in legislation recently made that Mr. Fettes advocated for. In the State of Wisconsin, it is a felony to copy a certified birth certificate. The State Department began requesting that passport applicants send two birth certificates with a passport application, one of which could be a copy. The result of Mr. Fettes' working with the legislature is that it is now legal for the County Clerk's office to make a copy of the certified birth certificate for a passport application; it must be stamped "for passport use only". The second issue currently being worked on is the automatic filing of a property deed when a foreclosed property is purchased. Currently it is up to the new owner to file the deed. The process Mr. Tyson is advocating has been in place for years in Milwaukee County, it makes the deed filing an automatic process when the property is purchased. It not only takes the pressure off the new owner and guarantees that the former owner will no longer be billed for back taxes since he will no longer be listed as the owner in the Register of Deeds records.

The Register of Deed's office has a system called GIS run by ESRI that was a tremendous aid in the July flooding in Racine County. Mr. Fettes was in San Diego at the time of the flood at a convention with ESRI which is a geography mapping service. Once he was notified of the Racine County flooding he worked with the ESRI Disaster Recovery Group and a Damage Assessment App was created specific to the affected areas in Racine County. Mr. Fettes showed the committee on the ESRI maps how the app worked. The app was loaded to a user's smart phone with a password and id then that individual could begin inputting damage information for a property by answering the preprogrammed questions. Once it was entered it then created a 'pin' on the map in either city or town of Burlington. Photos could accompany the information as well. Data for all the disaster team to see on the app included things like road closures, flood levels and where sandbags were located for picking up. Any public calls made to 211 regarding the disaster also went into the app data base. This made it very thorough for reporting all the facts to FEMA.

This app was non-public facing and did not cost anything extra to the County of Racine other than what is already paid for ESRI service.

Kim Christman along with David Maack will organize this app to have it at the ready for any future disaster use. There will be an 'after action report' issued by Racine County Chief of Staff M.T. Boyle and David Maack, Racine County Emergency Management Coordinator. Mr. Fettes then answered questions from the committee.

RESOLUTION NO.: 46—2017-18

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN:

MAJORITY

1 Legislation has been introduced to amend the state statutes to require the Department of
2 Corrections (DOC) to recommend revoking a person's extended supervision, parole or
3 probation if the person is charged with a crime while on extended supervision, parole, or
4 probation. This legislation, as drafted, could result in predictable unjust outcomes
5 causing increased incarceration at an increased cost to the state and counties. The DOC
6 estimates this legislation could result in an increase of 5,570 revocation cases each year.
7 This means 5,570 more individuals would be occupying county jails without
8 reimbursement from the DOC. Essentially this bill is an unfunded mandate to Wisconsin
9 county jails. In addition, it is estimated that this bill could result in increased operations
10 costs (excluding possible construction costs) to the DOC of \$51.9 million during the first
11 year of enactment and permanent increased operations costs of approximately \$149.3
12 million after the population is annualized during the second year of enactment.
13

14 NOW THEREFORE, the undersigned members of the Public Safety Committee recommend
15 adoption of the following resolution.

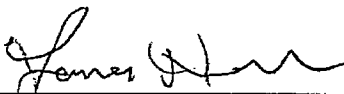

16 BE IT RESOLVED, that the Outagamie County Board of Supervisors does oppose any
17 legislation that automatically revokes a person's probation if that person is charged with a crime, and

18 BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy
19 of this resolution to the Outagamie County Executive, all Wisconsin counties, and the Outagamie
20 County Lobbyist for distribution to the Governor and the Legislature.

WHEREAS, Pursuant to Article VI, Section 3 of the Wisconsin Constitution, the Wisconsin Legislature is directed to redistrict legislative districts "according to the number of inhabitants" at its next session following the decennial federal census. At the same intervals, the legislature also reapportions congressional districts pursuant to federal law, and

WHEREAS, historically legislative and congressional plans in Wisconsin have been subject to partisan influence that put the desires of politicians ahead of the electoral prerogative of the people, and

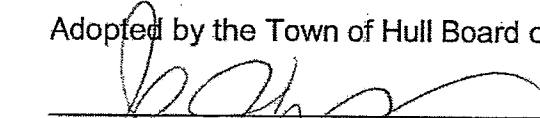

WHEREAS, the state and congressional districts belong to the citizens of Wisconsin and should be designed with the best interest of Wisconsin's democracy and its citizens, and not be a tool used by those in power to protect and bolster their power, and
