

# INTRO TO SCIENCE

M/W, 5:30-8:00  
JANUARY 15-FEBRUARY 28

## Class description:

Taught by a Gateway instructor, this science class will be seven weeks long and limited to 10 students. The class will cover basic science processing skills needed to pass the Science portion of the GED test. Students will learn how to understand and apply the scientific method, gather data to make an educated guess, make predictions, and conduct measurements as it relates to physical and life sciences. New students to the RLC must pay a one-time, nonrefundable \$10 registration fee.

---

*For more information, contact Carolyn Umfress,  
Adult Basic Education Coordinator*

---

FOR THOSE WHO ARE  
TESTING AT 5.0 G.E. OR
