

NEW OFFERING

Hospitality Essentials

Location: Gateway Technical College – Burlington Center

Time: 9:00 a.m. - 1:00 p.m. Mondays & Wednesdays

Dates: February 19 - May 7, 2018

FREE Specialized Training in Hospitality Essentials

The area's Tourism and Hospitality industry is booming!

The field is an exciting, ever-evolving industry that welcomes managers and employees of all types. **Kenosha, Racine, and Walworth counties rank in the Top 10** in private (not government) tourism in the state of Wisconsin.

You will learn about the management and operation of hotels, motels, and resorts as well as the service and technical skills needed to be successful in this industry.

By successfully completing this training you will earn 9 college credits and the Gateway Technical College Hospitality Essentials Certificate.

If you are interested you must attend an information session.
