The auditee shall permit appropriate representatives of Racine County to have access to the auditee's records and financial statements as necessary to review the auditee's compliance with federal and state requirements for the use of the funding. - P. **Access to Auditor's Work Papers.** The auditor shall make audit workpapers available upon request to the auditee, Racine County or their designee as part of performing a quality review, resolving audit findings, or carrying out oversight responsibilities. 1. Requiring modified monitoring and/or reporting provisions;
2. Delaying payments, withholding a percentage of payments, withholding or disallowing overhead costs, or suspending the award until the auditee is in compliance;
3. Disallowing the cost of audits that do not meet these standards;
4. Conducting an audit or arranging for an independent audit of the auditee and charging the cost of completing the audit to the auditee;
5. Charging the auditee for all loss of federal or state aid or for penalties assessed to Racine County because the auditee did not comply with audit requirements;
6. Assessing financial sanctions or penalties;

- 7. Discontinuing contracting with the auditee; and/or
- 8. Taking other action that Racine County determines is necessary to protect federal or state pass-through funding.

S. **Close-Out Audits.** A contract specific audit of an accounting period of less than 12 months is required when a contract is terminated for cause, when the auditee ceases operations or changes its accounting period (fiscal year). The purpose of the audit is to close-out the short accounting period. The required close-out contract specific audit may be waived by Racine County upon written request from the sub-recipient, except when the contract is terminated for cause. The required close-out audit may not be waived when a contract is terminated for cause.

The auditee shall ensure that its auditor contacts Racine County prior to beginning the audit. Racine County or its representative, shall have the opportunity to review the planned audit program, request additional compliance or internal control testing and attend any conference between the auditee and the auditor. Payment of increased audit costs, as a result of the additional testing requested by Racine County is the responsibility of the auditee.

In addition, Racine County may require that the auditor annualize revenues and expenditures for the purposes of applying 2 CFR Part 200 Subpart F and determining major federal financial assistance programs.
