Dear Applicant,

All riders with disabilities must file an application with a Physician's Certification that they are eligible for Specialized Transportation.

NOTE: If you are over age 65 you do not need the physician's section filled out.

Eligibility criteria will be determined by the Racine County Human Services Department. Racine County and/or Ktown Transportation will process applications for eligibility and notify the applicant within 21 days of their approval or denial of the application.

Attached is the application for Racine County Specialized Transportation. Please read the eligibility information carefully.

Please fill out the Applicant Information Form and the Release of Information Form completely. A legal guardian must sign the Release of Information if the individual has one so appointed by a court of law, or is under 18 years of age.
