**RACINE COUNTY CULTURAL GRANT AND COMMUNITY SERVICES GRANT
APPLICATION PERIOD OPENS**

Racine County organizations encouraged to apply for funding

Racine – The application period for the 2019 Racine County Cultural and Community Services Grant Program is now open.

Each year, the Office of the Racine County Executive awards funding through discretionary budget allocations. Local nonprofit organizations and other private entities are encouraged to apply for funding that will assist them in providing community-based programs or capital projects that align with Racine County’s mission statement: the cultivation of innovative, sustainable, and valued opportunities for community and economic growth.

Organizations or events must be located in Racine County and the grant must be authorized by law and further a public purpose. Applications are due August 1, 2018; initial notification of grant awards will be made in October. All grants are pending approval of the Racine County Board of Supervisors.
