PROGRAM DESCRIPTION

Eastern Racine County Specialized Transportation Non-ADA

Mode of Service

Specialized Transportation shall be provided on a door-to-door basis. Assistance with coats and packages shall only apply from vehicle to building and from building to vehicle. Providers will not be responsible for lifting or handling clients in order for them to use the service. Provider may schedule block trips for riders who go from a destination to a common point or from a common point to home destination.

Waiting Time

Drivers shall wait five (5) minutes for riders after the scheduled pickup time.

Attendants

1. Attendant is defined as any person whose assistance is required by the passenger. Attendant requirement must be indicated on the physician's certification.
2. One attendant shall be permitted to accompany any passenger at no additional cost provided that they have the same points of origin and destination.
3. Attendants with different origin/destination points than certified rider will pay the full fare.

Scheduling

All reservations including attendants and other accompanying persons are to be scheduled in accordance with policies established by the Racine County Human Services Department and set forth in the User's Guide. Emergency transportation with less notification may occur based upon space availability and scheduling. Provider shall attempt to keep the number of trips per day within the limits of HSD funds. Riders are urged to notify transportation Provider when scheduled ride is not required.

The policy of advance scheduling for all transportation shall remain in effect with advance scheduled return trips also scheduled in all areas except medical. If waiting time for pickup is to be longer than 20 minutes from scheduled times, the transportation Provider shall advise the rider by phone contact and advise of the pickup time.

Persons who have scheduled rides and do not notify transportation Provider of cancellation shall receive a written warning that this is a violation of the transportation regulation.

Provider shall ensure that vehicles are available to meet demand.

PROGRAM REQUIREMENTS

1. Provider must meet all requirements of TRANS 301, Human Services Vehicle (HSV) Standards and Chapter 221, Laws of 1979, Commercial Motor Vehicle Safety Act of 1986, and subsequent policies relating to TRANS 301 and Chapter 221.
