**HIGHWAY U FULLY REOPEN TO TRAFFIC**

*Project to replace culvert completed*

Raymond – County Highway U is now fully reopen to all traffic following a project to replace a culvert.

Due to safety concerns, the road had been closed from State Highway 20 north to County Highway K as crews replaced a failing culvert just north of Two Mile Road.

County U reopened to local traffic only in early October while some wrap-up road work remained. All construction activity has now been completed.
