

Staying Safe

A Program of the Racine County Traffic Safety Commission and...

Safe Sober

Wisconsin Department of Transportation

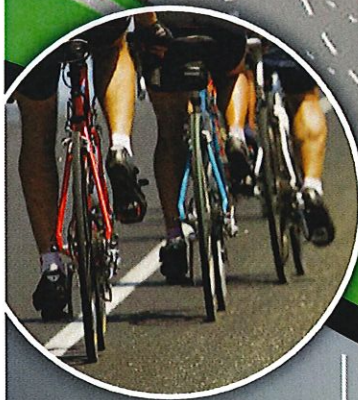

Roundabouts

Traffic circulates counterclockwise in the roundabout.

Wait for a safe gap in traffic before entering the roundabout.

STAY IN YOUR LANE!

BICYCLES

The same rules for vehicles apply for bicyclists in the roundabout.

Once in the roundabout, don't hug the curb.

Ride close to the middle of the lane to prevent cars from passing and cutting you off.

Watch for cars waiting to enter the roundabout, as they may not see you.

EMERGENCY VEHICLES

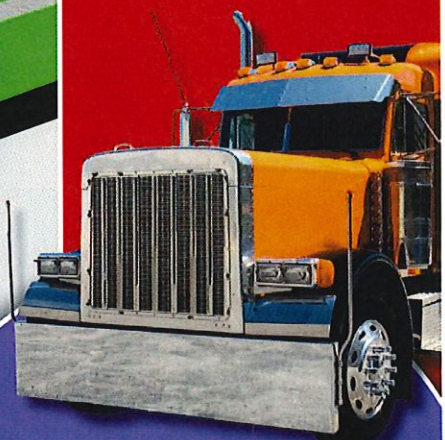

Always yield to emergency vehicles.

Pull over to the right allowing emergency vehicles to pass if you haven't entered the roundabout.

If already in the roundabout, continue to your exit, then pull over to the right lane to allow emergency vehicles to pass.

NEVER STOP IN THE ROUNDABOUT.

For more information visit www.dot.wisconsin.gov

LARGE VEHICLES

Large vehicles may straddle the circulating lanes and the colored concrete truck apron that borders the inside of the roundabout.

Drivers should be cautious and never drive adjacent to or pass large trucks while maneuvering through the roundabout.

As with any other intersection, the proper lane must be chosen before entering a roundabout.

In advance of the roundabout, signs and pavement markings will always indicate which lanes may be used for the direction you want to go.

Keep left to turn left through the roundabout and keep right to turn right.

NEVER CHANGE LANES WITHIN A ROUNDABOUT!
