Failure to submit required reports according to identified time frames will result in Purchaser withholding payments until the reports are received by Purchaser. Additional reporting may be required for programs funded with federal or state grant money, or other designated fund sources.

The amount earned under this agreement shall be confirmed through an annual audit. Non-profit Providers, if applicable, shall include a surplus retention supplemental schedule in their audit reports and this schedule shall be by contract or service category. Pursuant to Wis. Stat. § 46.036, the audit surplus retention supplemental schedule serves as notification to the Purchaser of any excess surplus beyond the

statutory allowance of 5% revenue earned under the agreement. Purchaser shall claim excess surplus in writing within six (6) months of receipt of audit. Unclaimed excess surplus becomes the property of the Provider.

- G. If the Provider requests an advance payment in excess of \$10,000.00, the Provider agrees to supply a surety bond per s. 46.036(3)(f) Wis. Stats. The surety bond must be an amount equal to the amount of the advance payment Provider has requested. Any advance payment received by Provider will be repaid within the six-month pilot period by Purchaser subtracting one-fifth of the advance from payments in months 2-6.
- H. **Requirement to Have an Audit.** Unless waived by Racine County, the sub-recipient (auditee) shall submit an annual audit to Racine County if the total amount of annual funding provided by Racine County (from any and all of its Divisions taken collectively) for all contracts is \$100,000 or more. In determining the amount of annual funding provided by Racine County the sub-recipient shall consider both: (1) funds provided through direct contracts with Racine County and (2) funds from Racine County passed through another agency which has one or more contracts with the sub-recipient.
- I. **Audit Requirements.** The audit shall be performed in accordance with generally accepted auditing standards, Wisconsin Statutes § 46.036 and § 49.34, Government Auditing Standards as issued by the U.S. Government Accountability Office, and other provisions specified in this contract. In addition, the sub-recipient is responsible for ensuring that the audit complies with other standards and guidelines that may be applicable depending on the type of services provided and the amount of pass-through dollars received. Please reference the following audit documents for complete audit requirements:
1. 2 Code of Federal Regulations, Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F - Audits. The guidance also includes an Annual Compliance Supplement that details specific federal agency rules for accepting federal sub-awards.
  2. The State Single Audit Guidelines (SSAG) expand on the requirements of 2 CFR Part 200 Subpart F by identifying additional conditions that require a state single audit. Section 1.3 lists the required conditions.
  3. The DHS Audit Guide is an appendix to the SSAG and contains additional DHS-specific audit guidance for those entities that meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DHS sub-recipient audit requirements. An audit report is due Racine County if a sub-recipient receives more than \$100,000 in pass-through money from Racine County as determined by Wisconsin Statute § 46.036.
  4. The DCF appendix to the SSAG contains additional DCF-specific audit guidance for those entities that meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DCF sub-recipient audit requirements. An audit report is due Racine County if a sub-recipient receives more than \$100,000 in pass-through money from Racine County as determined by Wisconsin Statute § 49.34. Audits must be performed in accordance with the SSAG and the DCF appendix unless required by contract to follow the Provider Agency Audit Guide (PAAG).
- J. **Source of Funding.** Funding could be a mixture of state/federal/local funds. Sub-recipients may request confirmation of funding information when it becomes available to Racine County from the state. The information will include the name of the program, the federal agency where the program originated, the CFDA number, and the percentages of federal, state, and local funds constituting the contract.

- K. **Audit Reporting Package.** A sub-recipient that is required to have a Single Audit based on 2 CFR Part 200 Subpart F and the State Single Audit Guide is required to submit to Racine County a reporting package which includes the following:
1. General-Purpose Financial Statements of the overall agency and a Schedule of Expenditures of Federal and State Awards, including the independent auditor's opinion on the statements and schedule.

This schedule is required by DHS if the sub-recipient is a non-profit, for-profit, a governmental unit other than a tribe, county Chapter 51 board or school district; if the sub-recipient receives funding directly from DHS; if payment is based on or limited to an actual allowable cost basis; and if the auditee reported expenses or other activity resulting in payments totaling \$100,000 or more for all of its grant(s) or contract(s) with DHS.
  7. Intentionally omitted.
  8. Intentionally omitted.
  9. \*Additional Supplemental Schedule(s) Required by Funding Agency may be required. Check with the funding agency.  
\*NOTE: These schedules are only required for certain types of entities or specific financial conditions.

For sub-recipients that do not meet the Federal audit requirements of 2 CFR Part 200 and SSAG, the audit reporting package to Racine County shall include all of the above items except items 4 and 5.

- L. **Audit Due Date.** Audits that must comply with 2 CFR Part 200 and the State Single Audit Guidelines are due to the granting agencies nine months from the end of the fiscal period or 30 days from completion of the audit, whichever is sooner. For all other audits, the due date is six months from the end of the fiscal period unless a different date is specified within the contract or grant agreement.

- M. **Submitting the Reporting Package.** The auditee or auditor must send a copy of the audit report to all granting agencies that provided funding to the auditee. Check the contract or contact the other funding agencies for information on where to send the audit report and the proper submission format.

Audit reports should be sent to:

Racine County Human Services  
Attn: Accountant Supervisor, Contracts & Audits  
1717 Taylor Avenue  
Racine, WI 53403

- N. **Access to Auditee's Records.** The auditee must provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the required audit.

The auditee shall permit appropriate representatives of Racine County to have access to the auditee's records and financial statements as necessary to review the auditee's compliance with federal and state requirements for the use of the funding. Having an independent audit does not limit the authority of Racine County to conduct or arrange for other audits or review of federal or state programs. Racine County shall use information from the audit to conduct their own reviews without duplication of the independent auditor's work.

- O. **Access to Auditor's Work Papers.** The auditor shall make audit workpapers available upon request to the auditee, Racine County or their designee as part of performing a quality review, resolving audit findings, or carrying out oversight responsibilities. Access to working papers includes the right to obtain copies of working papers.

- P. **Failure to Comply with Audit Requirements.** Racine County may impose sanctions when needed to ensure that auditees have complied with the requirements to provide Racine County with an audit that meets the applicable standards and to administer state and federal programs in accordance with the applicable requirements. Examples of situations when sanctions may be warranted include:

1. The auditee did not have an audit.
2. The auditee did not send the audit to Racine County or another granting agency within the original or extended audit deadline.
3. The auditor did not perform the audit in accordance with applicable standards, including the standards described in the SSAG.
4. The audit reporting package is not complete; for example, the reporting package is missing the corrective action plan or other required elements.
5. The auditee does not cooperate with Racine County or another granting agency's audit resolution efforts; for example, the auditee does not take corrective action or does not repay disallowed costs to the granting agency.

- Q. **Sanctions.** Racine County will choose sanctions that suit the particular circumstances and also promote compliance and/or corrective action. Possible sanctions may include:

1. Requiring modified monitoring and/or reporting provisions;
2. Delaying payments, withholding a percentage of payments, withholding or disallowing overhead costs, or suspending the award until the auditee is in compliance;
3. Disallowing the cost of audits that do not meet these standards;
4. Conducting an audit or arranging for an independent audit of the auditee and charging the cost of completing the audit to the auditee;

5. Charging the auditee for all loss of federal or state aid or for penalties assessed to Racine County because the auditee did not comply with audit requirements;
6. Assessing financial sanctions or penalties;
7. Discontinuing contracting with the auditee; and/or
8. Taking other action that Racine County determines is necessary to protect federal or state pass-through funding.

R. **Close-Out Audits.** A contract specific audit of an accounting period of less than 12 months is required when a contract is terminated for cause; when the auditee ceases operations or changes its accounting period (fiscal year). The purpose of the audit is to close-out the short accounting period. The required close-out contract specific audit may be waived by Racine County upon written request from the sub-recipient, except when the contract is terminated for cause. The required close-out audit may not be waived when a contract is terminated for cause.

The auditee shall ensure that its auditor contacts Racine County prior to beginning the audit. Racine County or its representative, shall have the opportunity to review the planned audit program, request additional compliance or internal control testing and attend any conference between the auditee and the auditor. Payment of increased audit costs, as a result of the additional testing requested by Racine County is the responsibility of the auditee.

Racine County may require a close-out audit that meets the audit requirements specified in 2 CFR Part 200 Subpart F. In addition, Racine County may require that the auditor annualize revenues and expenditures for the purposes of applying 2 CFR Part 200 Subpart F and determining major federal financial assistance programs. This information shall be disclosed in a note within the schedule of federal awards. All other provisions in 2 CFR Part 200 Subpart F- Audit Requirements apply to close-out audits unless in conflict with the specific close-out audit requirements.

PROGRAM DESCRIPTION

Juvenile Receiving Home

Racine County has developed the concept of a receiving home to be utilized for children taken into temporary custody by Racine County Initial Assessment staff. The Provider must be licensed as a Shelter Care Facility by the State of Wisconsin with an exception to house ages 0-17. Provider must comply with all rules as outlined in Wisconsin Department of Children & Family Administrative Rules, Chapter 59. The Receiving Home is intended for sole use of Racine County residents. Receiving Home cannot accept or solicit to other counties for placements.

Because a Juvenile Receiving Home is a new concept, the contract terms are for a six-month pilot period. The contract will begin upon licensure from the State of Wisconsin, acceptance of the terms described herewith and execution of the contract by both parties. Continuation of the project beyond six months will be determined by Purchaser. Purchaser may elect to discontinue using Receiving Home at conclusion of the pilot period. Should the contract not continue beyond the pilot period, and all Racine County children are removed, Racine County will not be liable for any ongoing costs the Receiving Home may incur after that date.

The Juvenile Receiving Home must be located in Racine County, preferably within the City of Racine. It will be an 8-bed facility with sufficient bedroom and bathroom space; no children will share a bed with another child. Bedrooms will be separated by age and gender and there will be no more than a five (5) year age difference between children sharing a bedroom, with the exception of siblings of the same gender. Additionally, there will be sufficient common area or shared living area to comfortably accommodate the children and staff of the facility as well as a private space available to allow for supervised family visitations. State licensing must be obtained and a site inspection must be conducted by Racine County employees prior to any child being admitted.

Placement into the Receiving Home would be an alternative to placement into foster care, allow sibling groups to remain intact and allow children to remain in Racine County near their families and schools, with the primary focus on serving:

- Newly placed children awaiting a foster home placement
- Children requiring respite care until a new foster home can be arranged
- Youth transitioning from CCI's and group homes
- Moving children currently placed outside Racine County back into Racine to work on permanence

The length of stay is intended to be thirty (30) days, however stay can be extended to a maximum of sixty (60) days when necessary. Special accommodation must be made for placements to exceed sixty (60) days and require authorization by Racine County Human Services Management. The daily service rate of \$269 is for occupied beds only and is an all-inclusive fee. There will be no supplemental rate of any kind. There will be no bed hold rate nor will any rate increase be authorized for a specific child need.

This facility would be staffed based on the number of children in the home, the age of the children and behaviors of the children placed. Staffing will accommodate a 24 hour a day, 7 day a week facility with awake staff at all times. Staff must be prepared to admit children at any time of the day or night. Provider will have a policy and procedure in place to ensure staff have eyes-on contact with the children during awake and sleep times.

PROGRAM SERVICES

- There will be awake staff 24 hours per day to provide daily supervision of the children.
- Staff to child ratios will be defined by both the State of Wisconsin and Purchaser. - Provider will have emergency procedures in place for disasters such as fire, weather, domestic threats, etc. Disaster Plan requirements are outlined below in a separate section. Copies of the Disaster Plan must be submitted to Purchaser.

Required training is outlined below in a separate section. Prior to employment, staff will receive a health examination covering the areas included in form CFS 384.
- Criminal and Caregiver Background check results will be presented to Purchaser prior to staff working in Juvenile Receiving Home. Additionally, Purchaser will run a more extensive background check on each employee. A form will be provided for staff to complete. Purchaser reserves the right to deny employment of the Juvenile Receiving Home to any person with background check results that Purchaser deems unacceptable.

Children and juveniles placed in out-of-home care that are under the placement and care responsibility of the county each and every full calendar month they are placed in out-of-home care.

The focus of the visit must be on safety, permanence and well-being of the child or juvenile. Contacts must be of substance and duration, sufficient to address goals of the case plan and permanency plan. If a case worker designee is making the contact for the Racine County Human Services Department (RCHSD) Case Manager, the designee must have a copy of any safety plan, permanency plan and case plan prior to the face-to-face contact. They must also be aware of what to look for when assessing safety, progress and well-being for that particular child.

The contact must be documented in eWISACWIS within 30 days of the face-to-face contact occurring, regardless of whether the visit was conducted by the RCHSD Case Manager or his or her designee. The documentation must contain the following:
