

RESOLUTION NO. 2018-123

**RESOLUTION BY THE FINANCE AND HUMAN RESOURCES COMMITTEE
AUTHORIZING THE TRANSFER OF \$200,000.00 WITHIN THE PUBLIC WORKS
COUNTY HIGHWAY CAPITAL 2019 BUDGET AND AUTHORIZING A CAPITAL
PROJECT FOR TRAFFIC SIGNALS AT INTERSECTIONS OF CTH V & C AND CTH V
& G**

To the Honorable Members of the Racine County Board of Supervisors:

BE IT RESOLVED by the Racine County Board of Supervisors that the transfer of funds as set forth in Exhibit "A," that is attached hereto, within the Public Works County Highway Capital 2019 Budget and the capital project to purchase traffic signals at the intersections of CTH V & C and CTH V & G is authorized and approved.

Respectfully submitted,

The foregoing legislation adopted by the County Board of Supervisors of Racine County, Wisconsin, is hereby:

Approved: _____

Vetoed: _____

Date: _____,

Jonathan Delagrave, County Executive

3
4 **INFORMATION ONLY**

5
6 **WHEREAS**, the intersections of CTH V & C and V & G have seen significant
7 backups and increases in accidents due to development around I-94, road construction,
8 and various closures; and

9
10 **WHEREAS**, Public Works and Development Services (PWDS) staff have spoken
11 with Department of Transportation (DOT) officials as well as the Public Works, Parks,
12 and Facilities Committee and local officials, including the South Shore Fire Department,
13 and have received their concurrence that signals are needed at the two intersections;
14 and

15
16 **WHEREAS**, additional changes to the intersection of CTH V & C are anticipated
17 as two new hospital campuses are expected to be built in the near vicinity along with
18 other development in that area; and

19
20 **WHEREAS**, the PWDS director is requesting to amend the 2019 Racine County
21 Capital Budget so that the department may order and install traffic signals at the
22 intersections of CTH V & C and CTH V & G; and

23
24 **WHEREAS**, the cost to purchase and install traffic signals is approximately
25 \$83,000.00 per intersection; and

26
27 **WHEREAS**, the signals will have two extra features installed: Emergency Vehicle
28 Pre-emption (EVP) which allows emergency vehicles to get through an intersection
29 faster and more safely, and Vehicular Video Detection System (VVDS) which helps
30 address backups and allows more time for specific traffic movements by making real-
31 time adjustments; and

32
33 **WHEREAS**, the PWDS director is requesting to reduce the amount of capital for
34 2019 in line item "U" box culvert 1/2 Mile north of CTH G by \$200,000.00 which will allow
35 \$200,000.00 to remain in that capital project to purchase and install traffic signals.
