PORTION OF COUNTY HIGHWAY J CLOSED

Closure began Monday, June 17; expected to continue through mid-August

Rochester – A box culvert replacement project will require the closure of County Highway J (N. English Settlement Ave.) at Eagle Creek, just north of County A/Plank Road in the Village of Rochester.

The road closure began today, Monday, June 17, and is expected to continue through mid-August. Drivers should use County Highway A and Highway 83 as a detour.

Replacing this deteriorating box culvert will greatly enhance safety of the road. In addition, the work is being performed by Racine County crews, which allows for substantial savings of taxpayer dollars.

The County has also coordinated with the state Department of Natural Resources to ensure environmentally-sensitive areas and Eagle Creek are protected.
