Provider shall fully cooperate with licensing and certification authorities. Provider shall submit copies of the required licenses or certifications upon request by Purchaser. - A. Provider shall maintain records, including, but not limited to employment records, as required by State and Federal laws, rules and regulations.

- A. Provider shall submit all required evaluation reports within the time frames identified in this contract. Failure to submit required reports according to identified time frames will result in Purchaser withholding payments until the reports are received by Purchaser. this agreement. The surplus is calculated based on the allowable costs that the Provider incurs in performing the services provided under the agreement. The amount earned under this agreement shall be confirmed through an annual audit. Non-profit Providers, if applicable, shall include a surplus retention supplemental schedule in their audit reports and this schedule shall be by contract or service category. Pursuant to Wis. Stat. § 46.036, the audit surplus retention supplemental schedule serves as notification to the Purchaser of any excess surplus beyond the statutory allowance of 5% revenue earned under the agreement. Purchaser shall claim excess surplus in writing within six (6) months of receipt of audit. Unclaimed excess surplus becomes the property of the Provider.

- F. Requests for advance payments shall be reviewed and awarded at the sole discretion of the Racine County Director of Human Services. No advance payments above \$10,000 will be approved.
- G. **Requirement to Have an Audit.** Unless waived by Racine County, the sub-recipient (auditee) shall submit an annual audit to Racine County if the total amount of annual funding provided by Racine County (from any and all of its Divisions taken collectively) for all contracts is \$100,000 or more. In determining the amount of annual funding provided by Racine County the sub-recipient shall consider both: (1) funds provided through direct contracts with Racine County and (2) funds from Racine County passed through another agency which has one or more contracts with the sub-recipient.
- H. **Audit Requirements.** The audit shall be performed in accordance with generally accepted auditing standards, Wisconsin Statutes § 46.036 and § 49.34, Government Auditing Standards as issued by the U.S. Government Accountability Office, and other provisions specified in this contract. In addition, the sub-recipient is responsible for ensuring that the audit complies with other standards and guidelines that may be applicable depending on the type of services provided and the amount of pass-through dollars received. Please reference the following audit documents for complete audit requirements:
1. 2 Code of Federal Regulations, Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F - Audits. The guidance also includes an Annual Compliance Supplement that details specific federal agency rules for accepting federal sub-awards.
 2. The State Single Audit Guidelines (SSAG) expand on the requirements of 2 CFR Part 200 Subpart F by identifying additional conditions that require a state single audit. Section 1.3 lists the required conditions.
 3. The DHS Audit Guide is an appendix to the SSAG and contains additional DHS-specific audit guidance for those entities that meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DHS sub-recipient audit requirements. An audit report is due Racine County if a sub-recipient receives more than \$100,000 in pass-through money from Racine County as determined by Wisconsin Statute § 46.036.
 4. The DCF appendix to the SSAG contains additional DCF-specific audit guidance for those entities that meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DCF sub-recipient audit requirements. An audit report is due Racine County if a sub-recipient receives more than \$100,000 in pass-through money from Racine County as determined by Wisconsin Statute § 49.34. Audits must be performed in accordance with the SSAG and the DCF appendix unless required by contract to follow the Provider Agency Audit Guide (PAAG).

- I. **Source of Funding.** Funding could be a mixture of state/federal/local funds. Sub-recipients may request confirmation of funding information when it becomes available to Racine County from the state. The information will include the name of the program, the federal agency where the program originated, the CFDA number, and the percentages of federal, state, and local funds constituting the contract.

- J. **Audit Reporting Package.** A sub-recipient that is required to have a Single Audit based on 2 CFR Part 200 Subpart F and the State Single Audit Guide is required to submit to Racine County a reporting package which includes the following:
 - 1. General-Purpose Financial Statements of the overall agency and a Schedule of Expenditures of Federal and State Awards, including the independent auditor's opinion on the statements and schedule.
 - 2. Schedule of Findings and Questioned Costs, Schedule of Prior Audit Findings, Corrective Action Plan and the Management Letter (if issued).
 - 3. Report on Compliance and on Internal Control over Financial Reporting based on an audit performed in accordance with Government Auditing Standards.
 - 4. Report on Compliance for each Major Program and a Report on Internal Control over Compliance.
 - 5. Report on Compliance with Requirements Applicable to the Federal and State Program and on Internal Control over Compliance in Accordance with the Program-Specific Audit Option.
 - 6. *Settlement of DHS Cost Reimbursement Award. This schedule is required by DHS if the sub-recipient is a non-profit, for-profit, a governmental unit other than a tribe, county Chapter 51 board or school district; if the sub-recipient receives funding directly from DHS; if payment is based on or limited to an actual allowable cost basis; and if the auditee reported expenses or other activity resulting in payments totaling \$100,000 or more for all of its grant(s) or contract(s) with DHS.
 - 7. *Additional Supplemental Schedule(s) Required by Funding Agency may be required. Check with the funding agency.

*NOTE: These schedules are only required for certain types of entities or specific financial conditions.

For sub-recipients that do not meet the Federal audit requirements of 2 CFR Part 200 and SSAG, the audit reporting package to Racine County shall include all of the above items except items 4 and 5.

- K. **Audit Due Date.** Audits that must comply with 2 CFR Part 200 and the State Single Audit Guidelines are due to the granting agencies nine months from the end of the fiscal period or 30 days from completion of the audit, whichever is sooner. For all other audits, the due date is six months from the end of the fiscal period unless a different date is specified within the contract or grant agreement.

- L. **Submitting the Reporting Package.** The auditee or auditor must send a copy of the audit report to all granting agencies that provided funding to the auditee. Check the contract or contact the other funding agencies for information on where to send the audit report and the proper submission format.

Audit reports should be sent to:

Racine County Human Services
Attn: Contract Compliance Monitor
1717 Taylor Avenue
Racine, WI 53403

- M. **Access to Auditee's Records.** The auditee must provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the required audit.

The auditee shall permit appropriate representatives of Racine County to have access to the auditee's records and financial statements as necessary to review the auditee's compliance with federal and state requirements for the use of the funding. Having an independent audit does not limit the authority of Racine County to conduct or arrange for other audits or review of federal or state programs. Racine County shall use information from the audit to conduct their own reviews without duplication of the independent auditor's work.

- N. **Access to Auditor's Work Papers.** The auditor shall make audit workpapers available upon request to the auditee, Racine County or their designee as part of performing a quality review, resolving audit findings, or carrying out oversight responsibilities. Access to working papers includes the right to obtain copies of working papers.

- O. **Failure to Comply with Audit Requirements.** Racine County may impose sanctions when needed to ensure that auditees have complied with the requirements to provide Racine County with an audit that meets the applicable standards and to administer state and federal programs in accordance with the applicable requirements. Examples of situations when sanctions may be warranted include:

1. The auditee did not have an audit.
2. The auditee did not send the audit to Racine County or another granting agency within the original or extended audit deadline.
3. The auditor did not perform the audit in accordance with applicable standards, including the standards described in the SSAG.
4. The audit reporting package is not complete; for example, the reporting package is missing the corrective action plan or other required elements.
5. The auditee does not cooperate with Racine County or another granting agency's audit resolution efforts; for example, the auditee does not take corrective action or does not repay disallowed costs to the granting agency.

- P. **Sanctions.** Racine County will choose sanctions that suit the particular circumstances and also promote compliance and/or corrective action. Possible sanctions may include:

1. Requiring modified monitoring and/or reporting provisions;
2. Delaying payments, withholding a percentage of payments, withholding or disallowing overhead costs, or suspending the award until the auditee is in compliance;
3. Disallowing the cost of audits that do not meet these standards;
4. Conducting an audit or arranging for an independent audit of the auditee and charging the cost of completing the audit to the auditee;

5. Charging the auditee for all loss of federal or state aid or for penalties assessed to Racine County because the auditee did not comply with audit requirements;
6. Assessing financial sanctions or penalties;
7. Discontinuing contracting with the auditee; and/or
8. Taking other action that Racine County determines is necessary to protect federal or state pass-through funding.

Q. **Close-Out Audits.** A contract specific audit of an accounting period of less than 12 months is required when a contract is terminated for cause, when the auditee ceases operations or changes its accounting period (fiscal year). The purpose of the audit is to close-out the short accounting period. The required close-out contract specific audit may be waived by Racine County upon written request from the sub-recipient, except when the contract is terminated for cause. The required close-out audit may not be waived when a contract is terminated for cause.

The auditee shall ensure that its auditor contacts Racine County prior to beginning the audit. Racine County or its representative, shall have the opportunity to review the planned audit program, request additional compliance or internal control testing and attend any conference between the auditee and the auditor. Payment of increased audit costs, as a result of the additional testing requested by Racine County is the responsibility of the auditee.

Racine County may require a close-out audit that meets the audit requirements specified in 2 CFR Part 200 Subpart F. In addition, Racine County may require that the auditor annualize revenues and expenditures for the purposes of applying 2 CFR Part 200 Subpart F and determining major federal financial assistance programs. This information shall be disclosed in a note within the schedule of federal awards. All other provisions in 2 CFR Part 200 Subpart F-Audit Requirements apply to close-out audits unless in conflict with the specific close-out audit requirements.

 - b. In addition, certain functions included in this Agreement may be covered within HIPAA rules. As such, the Purchaser must comply with all provisions of the law. If Purchaser has determined that Provider is a "Business Associate" within the context of the law, Provider will sign and return an approved Business Associate Agreement, which will be included and made part of this Agreement.
- C. Provider agrees to cooperate with departments, agencies, employees, and officers of Purchaser in providing the services described herein. Where Provider furnishes counseling, care, case management, service coordination or other client services and Purchaser requests Provider or any of Provider's employees to provide evidence in a court or other evidentiary proceeding regarding the services provided to any named client or regarding the client's progress given services provided, services purchased under this agreement include Provider making itself or its employees available to provide such evidence requested by Purchaser as authorized by law.
- D. Notices, bills, invoices and reports required by this Agreement shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth in this agreement. Any party changing its address shall notify the other party in writing within five (5) business days.
- E. In order for Provider and the people Provider serves to be prepared for an emergency such as tornado, flood, blizzard, electrical blackout, pandemic and/or other natural or man-made disaster, Provider shall develop a written plan that at a minimum addresses: (1) the steps Provider has taken or will be taking to prepare for an emergency; (2) which of Provider's services will remain operational during an emergency; (3) the role of staff members during an emergency; (4) Provider's order of succession, evacuation and emergency communications plans, including who will have authority to execute the plans and/or to evacuate the facility; (5) evacuation routs, means of transportation and use of alternate care facilities and service providers (such as pharmacies) with which Provider has emergency care agreements in place; (6) how Provider will assist clients/consumers to individually prepare for an emergency; and (7) how essential care records will be protected, maintained and accessible during an emergency. A copy of the written plan should be kept at each of Provider's office(s). Providers who offer case management or residential care for individuals with substantial cognitive, medical, or physical needs shall assure at-risk clients/consumers are provided for during an emergency.
- F. During the term of this Agreement, Provider shall report to the Purchaser's contract administrator, within ten (10) days, any allegations to, or findings by the National Labor Relations Board (NLRB) or Wisconsin Employment Relations Commission (WERC) that Provider has violated a statute or regulation regarding labor standards or relations. If an investigation by the Purchaser results in a final determination that the matter adversely affects Provider's responsibilities under this Agreement, and which recommends termination, suspension or cancellation of this Agreement, Purchaser may take such action. Provider may appeal any adverse finding as set forth at Article X.
- G. This Contract is contingent upon authorization of Wisconsin and United States Law and any material amendment or repeal of the same affecting relevant funding or authority of the Department shall serve to terminate this Agreement, except as further agreed to by the parties hereto.

- H. Purchaser may investigate any complaint received concerning the operation and services purchased including review of clinical service records and administrative records subject to restrictions by law. This may include contacting clients both past and current as required.
- I. Purchaser shall be notified in writing of all complaints filed in writing against the Provider. Purchaser shall inform the Provider in writing with the understanding of the resolution of the complaint.
- J. Nothing contained in this Agreement shall be construed to supersede the lawful power or duties of either party.
- K. All capital equipment purchased with funds from this contract may at the discretion of Racine County revert to Racine County at the termination of this contract period or subsequent contract periods. Computer equipment authorized within this contract budget will require Purchaser's approval prior to purchase and authorized payment.
- L. All employees working within the contract are required to have a Caregiver Background check and driver's record check prior to hire and annually thereafter. Reports must be kept on file within Provider's personnel files and made available to Purchaser upon request.
- M. In no event shall the making of any payment or acceptance of any service or product required by this Agreement constitute or be construed as a waiver by Purchaser of any breach of the covenants of this Agreement or a waiver of any default of Provider. The making of any such payment or acceptance of any such service or product by Purchaser while any such default or breach shall exist shall in no way impair or prejudice the right of Purchaser with respect to recovery of damages or other remedy as a result of such breach or default.
- N. Provider may elect to retain the entire right, title and interest to any invention conceived or first actually reduced to practice in the performance of this Agreement as provided by 37 CFR 401. In the event any invention results from work performed jointly by the parties, the invention(s) shall be jointly owned.
- O. PENALTIES.
 - 1. Provider shall provide immediate notice in the event it will be unable to meet any deadline, including deadlines for filing reports, set by Purchaser. Concurrent with notification, Provider shall submit either a request for an alternative deadline or other course of action or both. Purchaser may grant or deny the request. Purchaser has the prerogative to withhold payment to Provider upon denial of request or until any condition set by Purchaser is met. In the case of contracts that have been renewed or continued from a previous contractual period, Purchaser may withhold payment in the current period for failures that occurred in a previous period.
 - 2. If Purchaser is liable for damages sustained as a result of breach of this Agreement by Provider, Purchaser may withhold payments to Provider as set off against said damages.
 - 3. If, through any act of or failure of action by Provider, Purchaser is required to refund money to a funding source or granting agency, Provider shall pay to Purchaser within ten (10) working days, any such amount along with any interest and penalties.
- P. This Agreement or any part thereof, may be renegotiated at the option of Purchaser in the case of: (1) increased or decreased volume of services; (2) changes required by Federal or State law or regulations or court action; (3) cancelation, increase or decrease in funding; (4) changes in service needs identified by Purchaser; (5) Provider's failure to provide services purchased; or (6) upon any mutual agreement. Provider agrees to renegotiate in good faith if Purchaser

exercises this option. Any agreement reached pursuant to renegotiation shall be acknowledged through a written Agreement addendum signed by both parties. If Provider refuses to renegotiate in good faith as required by this section, Purchaser may either terminate the Agreement or unilaterally adjust payments downward to reflect Purchaser's best estimate of the volume of services actually delivered by Provider under this Agreement.

X. **RESOLUTION OF DISPUTES:** The Provider may appeal decisions of the Purchaser in accordance with the terms and conditions of this Agreement and Chapter 68, Wis. Stats.

A. **Good Faith Efforts.** In the event of a dispute between the parties involving the interpretation or application of the contents of this Agreement, the parties agree to make good faith efforts to resolve grievances informally.

B. **Formal Procedure.** In the event informal resolution is not achieved, the parties shall follow the following procedure to resolve all disputes:

Step 1: Provider shall present a description of the dispute and Provider's position, in writing, to Purchaser's Division Manager within fifteen (15) working days of gaining knowledge of the issue. The description shall cite the provision or provisions of this Agreement that are in dispute and shall present all available factual information supporting Provider's position. Failure to timely provide said document constitutes a waiver of Provider's right to dispute the item.

Step 2: Both parties shall designate representatives, who shall attempt to reach a mutually satisfactory resolution within the fifteen (15) working days after mailing of the written notice.

Step 3: If resolution is not reached in Step 2, Purchaser's Division Manager shall provide in writing by mail, an initial decision. Said decision shall be binding until and unless a different decision is reached as outlined below.

Step 4: Provider's Chief Executive Officer or designee may request a review of the initial decision by mailing a written request to Purchaser's Human Services Director within fifteen (15) working days of the receipt of the initial decision. Failure to timely provide said request constitutes a waiver of Provider's right to dispute the item.

Step 5: Purchaser's Human Services Director shall respond to the request for review by mailing a final written decision to Provider within fifteen (15) working days of receipt of the request.

Step 6: Provider's Chief Executive Officer or designee may request a review by the County Executive of the final decision by mailing said request within fifteen (15) working days of the postmarked date of the final decision. Failure to timely provide said request constitutes a waiver of Provider's right to dispute the item.

Step 7: The County Executive shall provide a final decision by mailing it to Provider within fifteen (15) working days following the postmarked date of the request for a review. The decision of the County Executive is final and binding on the parties.

C. **Client Grievance Procedure.**

 - 2. Purchaser may suspend this Agreement without notice for purposes of evaluating the impact of changed funding.
 - 3. Purchaser may reduce funding to Provider upon thirty (30) days written notice. If Purchaser opts to reduce funding under this provision, Purchaser may, after consultation between Provider and Purchaser's contract manager or designee, specify the manner in which Provider accomplishes said reduction, including, but not limited to, directing Provider to reduce expenditures on designated goods, services and/or costs.
- E. Failure of Racine County or the State or Federal governments to appropriate sufficient funds to carry out Purchaser's obligations hereunder or failure of Provider to timely commence the contracted for services, shall result in automatic termination of this Agreement as of the date funds are no longer available, without notice.
- F. Termination or reduction actions taken by Purchaser under this Agreement are not subject to the review process set forth in Article X of this document.

XII. CONTRACT CONSTRUCTION AND LEGAL PROCESS

- A. **Choice of Law.** It is expressly understood and agreed to by the parties hereto that in the event of any disagreement or controversy between the parties, Wisconsin law shall be controlling.

The parties expressly agree that this Agreement shall not be amended in any fashion except in writing, executed by both parties.
- E. **Execution.** This Agreement has no effect until signed by both parties. The submission of this Agreement to Provider for examination does not constitute an offer. Provider warrants that the persons executing this Agreement on its behalf are authorized to do so.
- F. **Limitation of Agreement.** This Agreement is intended to be an agreement solely between the parties hereto and for their benefit only. No part of this Agreement shall be construed to add to, supplement, amend, abridge or repeal existing duties, rights, benefits or privileges of any third party or parties, including but not limited to employees or subcontractors of either of the parties. Except, where Provider intends to meet its obligations under this or any part of this Agreement through a subcontract with another entity, Provider shall first obtain the written permission of Purchaser; and further, Provider shall ensure that it requires of its subcontractor the same obligations incurred by Provider under this Agreement.
