Gov. Tony Evers announced today that the Wisconsin Department of Health Services (DHS) has launched a new online resource that makes it easier for the public to access testing sites throughout the state. This searchable map, [available here](#), provides Wisconsinites with testing site locations, contact information, hours of operation, and guidance on how to schedule an appointment.

Racine County

County Executive Delagrave issued a proclamation recognizing today as Children's Mental Health Awareness Day. During the COVID-19 pandemic, many of us -- including children -- are facing additional mental health challenges. Check out www.RacineCountyFamilyResources.com for a variety of information on local resources, links, a community directory of mental health providers, and much more.
