**Rebound Racine County Task Force –  
Final Report**

**Reopening Racine County through local leadership and cross-sector collaboration.**

Racine County and Racine Area Manufacturers and Commerce (RAMAC) formed a community task force to safely and effectively re-open Racine County in preparation of the eventual lifting of Safer at Home restrictions. The task force includes a diverse mix of representatives from businesses, nonprofits, government, faith community, education, and health care. Leaders

across organizations participated in sector subcommittees to address the impact of COVID-19.

## Join the Scavenger Hunt!

The Healthier Wisconsin Partnership Program (HWPP) team has created a weekly scavenger hunt related to resources and using the new Racine County Family Resources website. You can share these weekly questions with parents, co-workers, family or friends.

The questions for this week will be around children's mental health. All answers will be found by going to the [racinecountyfamilyresources.com](http://racinecountyfamilyresources.com) website. Respond to these questions correctly, emailing your answers to [lena.ali@racinecounty.com](mailto:lena.ali@racinecounty.com), and you will be entered into a drawing to win \$25 worth of SEL Amazon items. Lena will respond back to you if you are added into the drawing.

**Please respond by 4 pm on Friday, May 15th** to be considered. Here are this week's questions:

1. List one of the providers in the behavioral health provider pathway.
2. What is the phone number for the CRISIS line?
3. What is the name of the free mindfulness app for children and families?

For more information on the Healthier Wisconsin Partnership Program visit [www.racinecounty.com/hwpp/](http://www.racinecounty.com/hwpp/).
