INTENT & SYNOPSIS: To encourage the Wood County Board of Supervisors to support the proposed revisions to Ch. NR 151, Wis. Adm. Code, which will set newer Targeted Performance Standards and Prohibitions to abate pollution of groundwater by nitrate in areas of the state with highly permeable soils that are susceptible to groundwater contamination.

WHEREAS, good quality groundwater in sufficient quantity is a basic resource that all citizens and businesses in the State of Wisconsin, as well as Wood County, rely upon. The citizens and businesses of our great state and county expect state government to monitor and protect the groundwater in our state in such a way that we may all prosper, and

WHEREAS, nitrate is the most widespread groundwater contaminant in Wisconsin and is especially prevalent in areas with highly permeable soils. Evidence suggests that the statewide standards are insufficient to achieve surface water quality and groundwater standards in areas with highly permeable soils; and

WHEREAS, the NR 151 revision process will allow for local input and give local stakeholders the opportunity to be part of the rule making and develop a rule that is designed to protect both surface and groundwater; and

WHEREAS, for some time now in an effort to work together and share resources across county lines the County Land and Water Conservation Departments (being the lead agency), Public Health Departments, UW Madison-Extension Departments, and County Board Supervisors in the central sands area of Adams, Juneau, Marquette, Portage, Waushara, Wood and Sauk County have joined together to form the Central Sands Groundwater County Collaborative (CSGCC); and

WHEREAS, because of the unique geographic features found throughout the State of Wisconsin this six county collaborative feels that it is necessary to assess the environmental impacts and draft water quality standards that are based on a county-by-county or a regional basis, recognizing the vulnerability of some geographic features which are highly susceptibility to contamination.

THEREFORE, BE IT RESOLVED, that the Wood County Board of Supervisors supports performance standards that must include modifications to nutrient management plans; application rates of manure and or commercial fertilizers; timing of nutrient management application; no spreading on already saturated soils; crop rotations, and implementation of growing crops year round as cover crops which store unused nitrogen in the soil.

BE IT FURTHER RESOLVED, that a copy of this resolution be directed to the attention of the Governor of the State of Wisconsin, Wisconsin Counties Association, Wisconsin Towns Association, State Legislators, and to each Wisconsin County.

RE: IN SUPPORT OF THE WISCONSIN OPPORTUNITY ACT (SB 467, AB 508)

WHEREAS, the Institute for Research on Poverty reports that more than 1 in 10 Wisconsinites live in poverty, including 16.9% of all children in the state; and

WHEREAS, the 2017 *Wisconsin Poverty Report* shows that poverty has increased in the state; and

WHEREAS, a recent community needs assessment conducted by our local Couleecap Community Action Program assessing barriers to economic stability experienced by low-income individuals and households revealed that over half of the low income households surveyed that received income from wages still had to rely on food pantries, and state and local safety net programs just to make ends meet for their families; that even with healthcare insurance 86% of households surveyed still listed healthcare accessibility, especially dental, vision, and mental health care as a significant barrier for their families; and 60% of people reported having difficulty paying for their utility bills and homeowners struggled to make home repairs that kept their homes safe, putting their housing at risk; and

RESOLUTION NO. _____

TO: THE HONORABLE CHAIRMAN AND MEMBERS OF THE PORTAGE COUNTY BOARD OF SUPERVISORS

RE: TO CONDUCT A COUNTYWIDE ADVISORY REFERENDUM ON THE CREATION OF A NONPARTISAN PROCEDURE FOR THE PREPARATION OF LEGISLATIVE AND CONGRESSIONAL REDISTRICTING PLANS AND MAPS

WHEREAS, on June 20, 2017, the Portage County Board of Supervisors passed a resolution calling for nonpartisan legislative and congressional redistricting maps; and

WHEREAS, pursuant to Article IV, Section 3 of the Wisconsin Constitution, the Wisconsin Legislature is directed to redistrict state legislative districts "according to the number of inhabitants" at its next session following the decennial federal census. The legislature also reapportions congressional districts at the same interval pursuant to federal law; and

WHEREAS, the practice of redistricting by the majority party inhibits opposing political participation and competition, discourages collaboration and compromise, ensures continued control by the party in power, and lacks a non-partisan approach necessary to our democratic process and undermines the principle of one-person-one vote;

WHEREAS, some states, including Iowa, use a non-partisan redistricting system with a goal of creating compact district boundaries where voters have more continuity in their representation from the State Legislature to the U.S. House; and

WHEREAS, the current Wisconsin procedure allows the legislature of the majority party to prepare redistricting plans and maps that may result in unfair partisan plans and maps, allowing the legislature to choose its voters rather than the voters choosing their representatives, which is commonly referred to as gerrymandering.

NOW, THEREFORE, BE IT RESOLVED, that the Portage County Board of Supervisors does hereby authorize and approve the following Notice of Referendum required by Wis. Stat. §10.01(2)(c) and the referendum question set forth within that Notice, and directs the clerk to perform all necessary administrative functions to execute this resolution and to include this advisory referendum question on the earliest election ballot allowed by law, either April 7, 2020, or August 11, 2020:

**NOTICE OF ADVISORY REFERENDUM
PORTAGE COUNTY**

Question: Should the Wisconsin legislature create a nonpartisan procedure for the preparation of legislative and congressional district plans and maps?

YES _____

NO _____

EXPLANATION

YES VOTE

A "YES" vote means that you want the state legislature to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "YES" vote does not mean that the state legislature will necessarily create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "YES" vote only means that the voters of Portage County want the state legislature to create such a procedure.

NO VOTE

A "NO" vote means that you do not want the state legislature to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "NO" vote does not mean that the state legislature will necessarily refuse to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "NO" vote only means that the voters of Portage County do not want the state legislature to create such a procedure.

BE IT FURTHER RESOLVED, that this resolution and the referendum shall be filed with the Portage County Clerk no later than 70 days prior to the earliest election ballot allowed by law, either the April 7, 2020, or August 11, 2020 election at which the question will appear on the ballot; and

BE IT FURTHER RESOLVED, that the County Clerk is directed to send results of the referendum to the Governor of the State of Wisconsin, the Wisconsin Counties Association, the Wisconsin Towns Association, the Wisconsin League of Municipalities, all members of the state legislature, and to each Wisconsin County Board.
