### **RACINE COUNTY TO HOLD COVID-19 CARE PACKAGE DISTRIBUTION**

Burlington – Racine County Executive Jonathan Delagrave, in partnership with a number of community sponsors and volunteers, is inviting any Western Racine County resident in need to pick up a free care package filled with essential items to help during the COVID-19 pandemic.

**What:** Racine County COVID Care Package Distribution

**When:** 10:00 a.m. to 1:00 p.m. Wednesday, August 26

**Where:** Racine County Service Center  
1072 Milwaukee Avenue  
Burlington, WI 53105

The care packages include family food boxes – which contain meat, dairy, eggs and other items – as well as facemasks, toilet paper, dish soap, paper towels, and face and body soap. The care packages will be available only while supplies last. The initiative is geared toward helping low-income families and mitigating the impact of the COVID-19 pandemic.

The care packages are made possible through the support of the United Way of Racine County, Hunger Task Force, SC Johnson, Gooseberries, and the Racine County Food Bank.
