RACINE COUNTY COVID-19 UPDATE November 9, 2020

Confirmed coronavirus cases

United States: 10,023,276 confirmed, 237,760 deaths

Wisconsin: 271,770 confirmed, 1,926,518 negative, 2,329 deaths

Central Racine County Health Department: 5,077 confirmed (+1,124 from last week), 563 probable (+115), 48,350 negative (+2,310), 86 deaths (+11)

City of Racine Health Department: 4,532 confirmed (+653 from last week), 467 probable (+17), 34,336 negative (+1,262), 42 deaths (+3)

Racine County total: 9,609 confirmed (+1,777 from last week), 1,030 probable (+132), 82,686 negative (+3,572), 128 deaths (+14)

Positive test percentage: 10.4%

Updates for the week of Nov. 9:

- Racine County continues to see extraordinarily high numbers of new COVID-19 cases, with 1,777 new cases reported in the past week.
- Updated COVID-19 testing times, dates and locations in Racine and Kenosha counties [can be found here](#). Note that the testing clinic Thursdays in the City of Racine is now being held from 9 a.m. to 5 p.m. at Festival Hall, 5 Fifth Street.
- Both the CDC and Wisconsin Department of Health Services are urging residents to celebrate holidays, such as Thanksgiving, virtually or only with members of your own household. "In-person gatherings that bring together family members or friends from different households, including college students returning home, pose varying levels of risk," according to the CDC. [Read more here](#).
- [From USA Today Network-Wisconsin](#): October was Wisconsin's worst month for COVID-19 -- and the state's surge is one of the biggest ever in the U.S.
- [From the Milwaukee Journal Sentinel](#): As the crush of COVID cases continues, Wisconsin is on track to run short of ICU beds in two to six weeks.
