## **Updates for the week of November 23:**

- Celebrate the Thanksgiving holiday safely! Read the CDC Thanksgiving guidance here.
- The Wisconsin Hospital Association released a letter to state leaders warning of a "catastrophe" due to the stress placed on the state's hospitals and health systems. "This is hard to fathom for many across the state, but for those fighting this ever-growing battle in our hospitals, the data simply illustrate the human tragedy playing out in front of them every day," wrote Wisconsin Hospital Association President and CEO Eric Borgerding. Read the letter here.
- The alternative care facility at State Fair Park, which serves as an overflow facility for state hospitals, has 13 patients as of today, Nov. 23.
- UW Health released an "Open Letter to the People of Wisconsin." Read it here.
- Wisconsin National Guard COVID-19 drive-thru testing sites in Racine and Kenosha counties can be found here.
- The Wisconsin Economic Development Corp. and Wisconsin Department of Health Services has a variety of information and resources to help employers and workers stay safe in the workplace. Read more here.
