Racine County total: 15,305 confirmed (+549 from last week), 1,895 probable (+161), 97,998 negative (+1,433), 234 deaths (+12)

Updates for the week of December 21:

- The Wisconsin Department of Health Services [is offering tips on celebrating holidays safely](#).
- The holidays can be a stressful and difficult time for many, but especially this year. It is more important than ever to make sure you are practicing self-care, maintaining social connections, and reducing stress and anxiety. Visit [RacineCountyFamilyResources.com](#) for tips on caring for yourself and information about resources available locally.
- Over 1,200 residents are currently hospitalized in Wisconsin due to COVID-19, with over 20 percent of those patients in the ICU. Hospitals across the state report 19% of beds available. The alternative care facility at State Fair Park, which serves as an overflow facility for state hospitals, has three patients as of today, Dec. 21.
