4:00 – 5:00 PM Thursday, February 25th

Racine County will conduct a public hearing on the Community Development Block Grant – Public Services (CDBG-PS) project. The public is invited to attend and learn about the CDBG program, to help identify additional community development needs, and to comment on the activities completed to date and remaining to be completed.

The agenda for the public hearing is:

1. Community Development Block Grant (CDBG) project status, including an overview of project activities completed to date and activities remaining to be completed.
2. Status of residential and/or business displacement and relocation assistance activities required because of the CDBG project.
3. Housing needs identified in the community.
4. Citizen input and feedback on CDBG project activities.

Residents of Racine County are encouraged to attend, especially residents with low to moderate incomes.

Persons needing additional accommodations should contact Travis Richardson, Director of Performance and Analytics, at Racine County via telephone at 262-636-3721 or via email at travis.richardson@racinecounty.com.
