

Energy Services FOR Racine County

is privileged to have been selected as the new organization for administering the **Wisconsin Home Energy Assistance Program (WHEAP)** throughout Racine County.

For over 3 decades we have been responsible for providing government, utility supported and charitable energy assistance grants statewide to over 100,000 low income households annually.

Working closely with Racine Co. HHS, other basic service providers and utilities-fuel vendors serving the area, we are committed to providing the highest level of assistance and services possible for those in need.

Our capable staff are available to answer any questions you may have and assist you in applying for WHEAP or other resources that may be of help.
