

REAPPORTIONMENT COMMITTEE MEETING
June 8, 2021

IVES GROVE OFFICE COMPLEX
COUNTY BOARD CHAMBERS
14200 WASHINGTON AVENUE
STURTEVANT, WI 53177

The meeting of the Reapportionment Committee was called to order at 5:04 p.m. by Chairman Robert Miller.

Meeting attended by: Supervisors Kramer, Maier, Shakoor, II, Trottier, Kaprelian and County Clerk Christensen. Also attending was Assistant Corporation Counsel Sarah Kidd.

Excused: None.

Absent: None.

#1 – Overview regarding scope of work for the committee and process

Chairman Miller explained that typically the committee would have started its work earlier in the year, but the federal government has delayed the release of the census data. The most recent information anticipated the release of the data to the states about mid-August. The legislature will be taking up changes to current statutes because of a need to change those timelines. Chairman Miller talked about the binders that had been compiled for each committee member and the resource and historical documents that were included. He encouraged the members to read through the materials. Asst. Corporation Counsel Kidd referenced the materials that had been prepared by the Wisconsin Counties Association regarding the process of redistricting. Clerk Christensen spoke regarding the process and some of the tasks needed to prepare the draft maps.

#2 – Discussion related to the size of the County Board

Chairman Miller said that one of the earliest decisions the committee would need to make would be the recommended number of Supervisors on the County Board going forward for the next decade. This would determine the calculations for the average population needed for creating the draft plans, as well as consider other factors including the budget and financial aspect of any changes. He mentioned that the size of the County Board is working well now and has been a good structure for appointing members to the standing committees.

#3 – Scheduling of future meetings

Chairman Miller indicated the committee would probably have the next meeting prior to the County Board meeting on July 13, 2021.

#4 - Adjournment

Action: Adjourn the meeting at 5:48 p.m. **Motion Passed.** Moved: Supervisor Trottier. Seconded: Supervisor Kramer. Vote: All Ayes, No Nays.
