Dear Jarmen Czuta,

I am requesting an administrative zoning line adjustment to remove the R-3 zoning designation that is currently shown on the zoning map to encompass approximately an 80' X 100' portion the the northeast corner of parcel Id. 016041901045010, Lot 1 CSM 1889, 8231 Big Bend Road so that the entire parcel is zoned B-3. I believe that this is a mapping error as the property has always been used for business purposes.

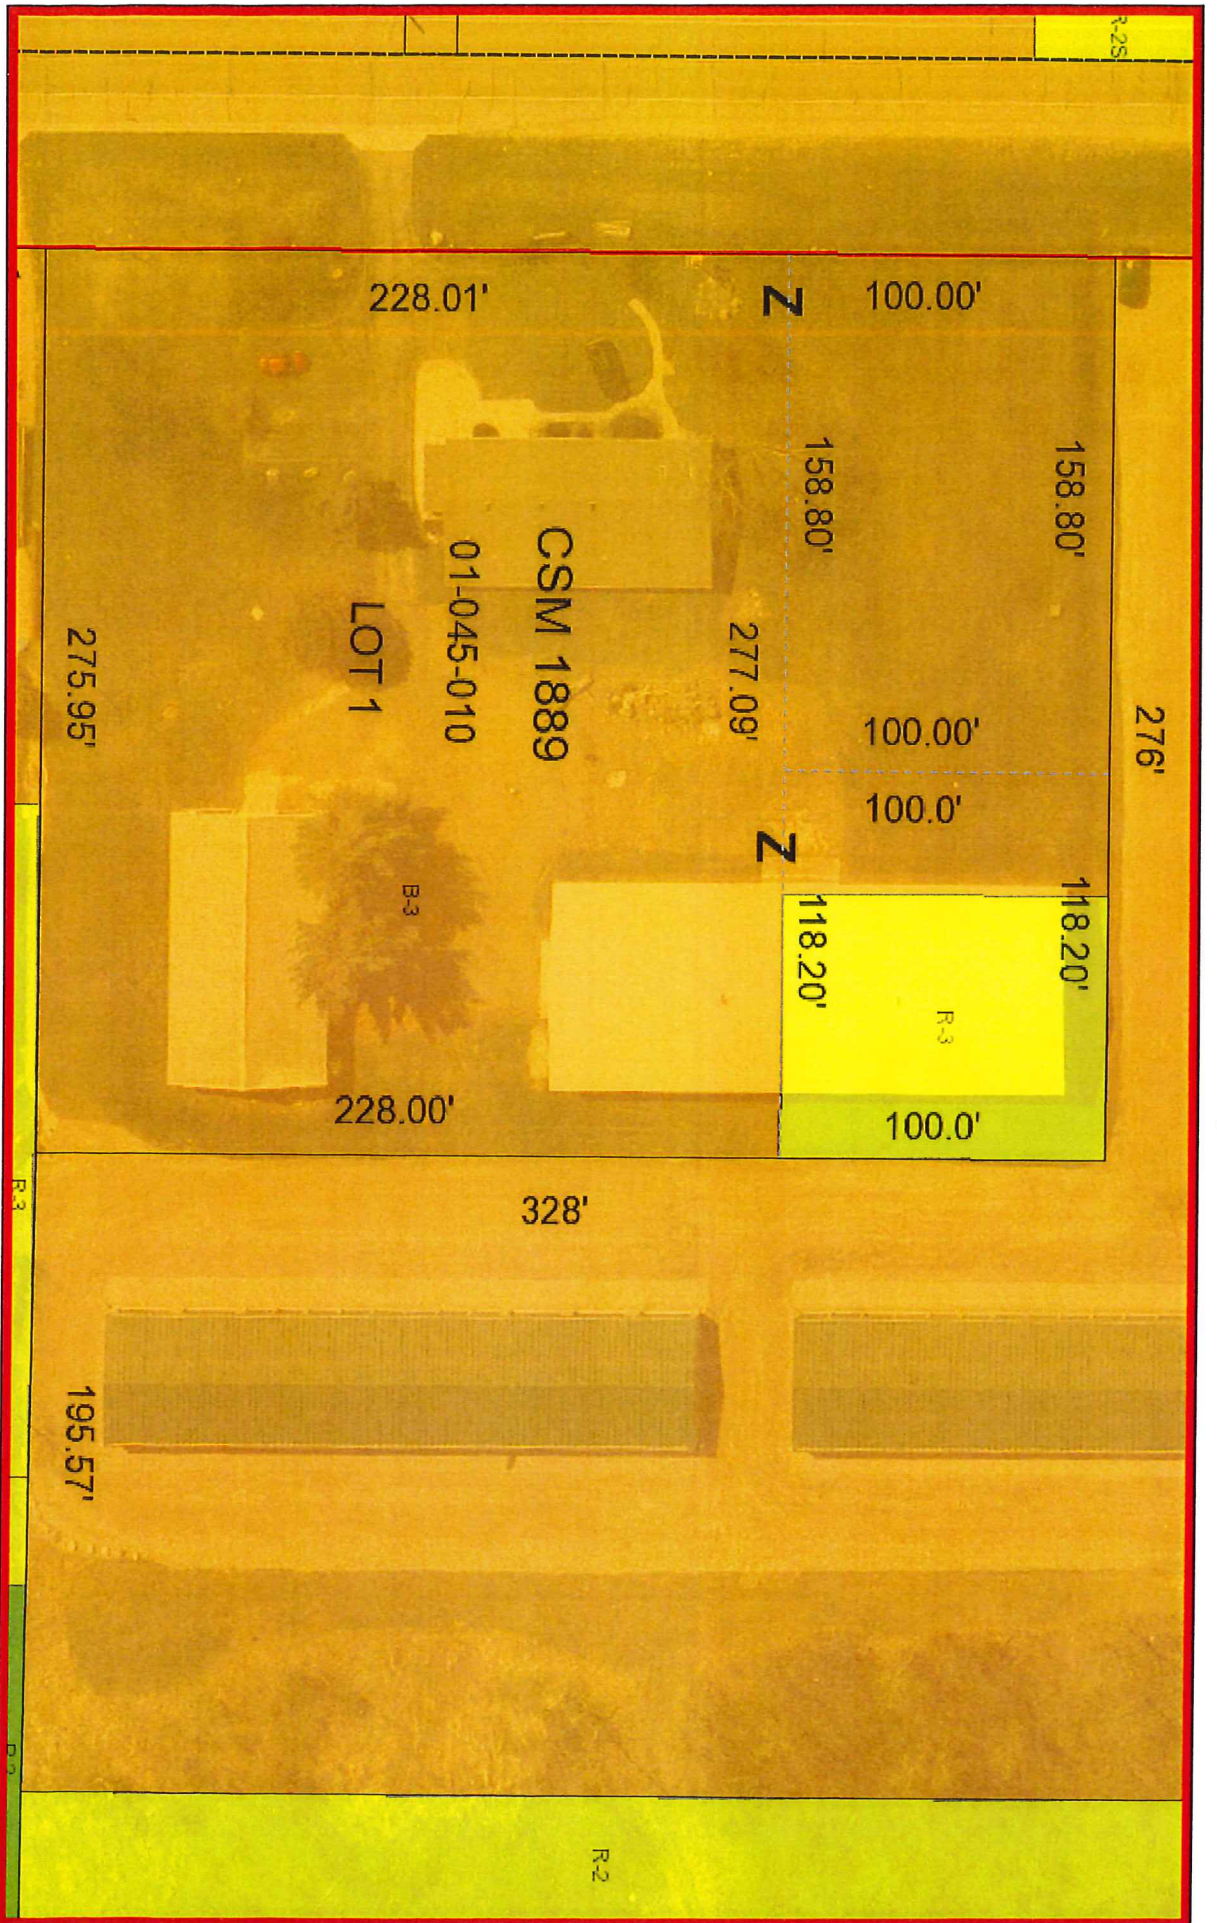

Sincerely,

A handwritten signature in cursive script that reads "Sandy Senft".
