This description has been prepared to assist in properly evaluating various classes of responsibilities, skills, working conditions, etc., present in the classification. It is intended to indicate the kinds of tasks and characteristic levels of work difficulty that will be required of positions that will be given this title. It is not intended as a complete list of specific duties and responsibilities. Nor is it intended to limit or in any way modify the right of any supervisor to assign, direct, and control the work of employees under his/her supervision. The use of an expression or illustration describing duties shall not be held to exclude other duties not mentioned that are of a similar kind and level of difficulty.
