

## CTH P (McHenry Street) Roadway Resurfacing Project Update

South Street to STH 36/STH 83, Racine County

The Racine County Department of Public Works and Development Services is proposing to resurface 2 miles of CTH P (McHenry St) in the Town of Burlington. Construction is anticipated to start in **July 2022** and be completed by the end of that year. This construction project was supposed to begin early this year but has since been delayed due to a WE Energies gas main project.

### Proposed Project Details

---

- Remove existing asphalt layer and resurface with new asphalt
- Pave new right turn lanes at several locations
- Remove and replace driveway and cross culverts
- Minor grading
- Replace existing driveways in-kind
- Installation of storm sewer
- Shoulder work, including curb and gutter and gravel
- Install new signing and pavement marking

### Reasons for the Project

---

To improve the ride quality, safety, drainage and overall service life of the roadway.

### WE Energies

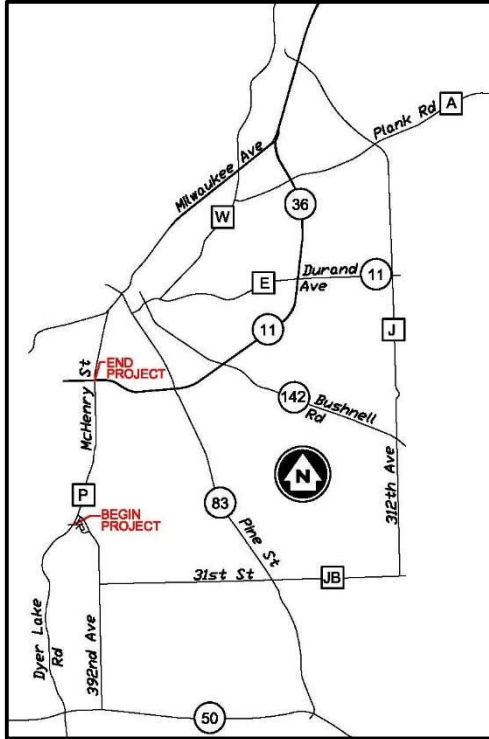

---

WE Energies is currently constructing a new gas main along CTH P, which is unrelated to the CTH P resurfacing project. This work is scheduled to be completed in July 2022. For more information, please contact WE Energies at **(877) 380-0522**.

### Traffic Impacts

---

- CTH P will be closed to through traffic. A signed detour route will be provided.
- Local access will be maintained.
- Access to all businesses and homes along CTH P will be maintained.
- Disruptions to mail delivery, garbage pick-up and other town offered services are not anticipated.

## Opportunity for Community Feedback

Racine County appreciates the public's involvement during the design and construction of highway improvement projects. Please contact the following people with any concerns you may have.

Also, contact us for more information regarding **temporary business signs** during construction.
