**ADVERTISEMENT FOR BIDS
COUNTY OF RACINE
DEPARTMENT OF PUBLIC WORKS
AND DEVELOPMENT SERVICES**

**PROJECT NUMBER PW-2304
Public Works Operations
Hot Mix Asphalt Materials
Small Quantities For Routine Maintenance**

Bid Instructions

Complete the price and availability form and return the sealed bid and specifications form to the County of Racine.

NOTICE is hereby given that sealed bids will be received in the Office of the Racine County Director of Public Works and Development Services, 14200 Washington Avenue, Sturtevant, Wisconsin, 53177-1253; until 3:00 p.m. CDT, Thursday, April 6, 2023 for the aforementioned Project. Immediately thereafter all bids shall be publicly opened and read aloud.

THE PROJECT consists of HMA mixture items for routine maintenance. Project items include: a nominal 1 TON of HMA Mix produced in accord with the WisDOT Specifications Chapter 465. Racine County Public Works and Development Services Department will pick-up these items from the Contractors production facility.

GENERAL INFORMATION

BIDDERS must submit bids on forms provided by the Racine County Public Works and Development Services Department.

PROJECT DOCUMENTS are on file, available for inspection at the Office of the Director of Public Works and Development Services; 14200 Washington Avenue; Sturtevant, WI 53177-1253. Telephone 262-886-8440. Email RCPublicWorks@Racinecounty.com.

FOR MORE INFORMATION regarding this project telephone County of Racine Department of Public Works and Development Services Engineering Division: (262) 886-8440.

PLEASE INFORM the Public Works and Development Services Department if handicapped access or special accommodations are needed at the time of the public bid opening.

RACINE COUNTY through its duly authorized representatives, reserves the right to reject any or all bids, waive all technicalities, and to choose the offer deemed most advantageous to Racine County. All bidders by submitting their bids agree to abide by the rules, regulations, and decisions of Racine County.

Roley Behm
Director of Public Works
and Development Services

Specifications

Execute this work according to requirements of the State of Wisconsin Department of Transportation, Standard Specifications for Highway and Structure Construction, Most Recent Edition. Also work according to the requirements of the State of Wisconsin Department of Transportation Construction and Material Manual, Most Recent Edition, and these Specifications and Special Provisions.

Where in the specifications or special provisions any of the following terms appear, they will be accepted the meaning set defined as follows:

Contractor: For purposes of this Procurement and for the Specifications the terms Contractor and Vendor will remain synonymous.

Director: The Director of Public Works and Development Services, County of Racine Department of Public Works and Development Services.

Engineer: The Manager of Planning & Engineering Services, County of Racine Department of Public Works and Development Services.

Inspector: An authorized representative of the County of Racine assigned to make detailed inspection of the work.

State Construction and Materials Manual: The State of Wisconsin Department of Transportation, Construction and Materials Manual, Most Recent Edition.

State Specifications: The State of Wisconsin Department of Transportation, Standard Specifications for Highway and Structure Construction, Most Recent Edition.

Indemnification

To the fullest extent permitted by law, Vendor shall indemnify, hold harmless, the County and its officers, agents and employees from any and all claims, damages to person or property, lawsuits or liability (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court costs) resulting from the negligent acts, errors or omissions of the Vendor or any of the Vendor's agents or employees in the performance of services under this quote.

To the fullest extent permitted by law, the County shall indemnify and hold harmless the Contractor and its officers, agents and employees from any and all claims, damages to person or property, lawsuits or liability (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court costs) resulting from the negligent acts, errors or omissions of Racine County or any of the County's agents, or employees in the performance of services under this quote.

Obtain approval from the Engineer before commencing work under any of the following items.

Items

1. SPV.0195.05 Special 05 HMA Mix, Small Quantities For Routine Maintenance, TON

A. This work will be in accordance with section 465 of the State Specifications.

- i) Contractor will provide HMA materials at the production facility for pick-up by Racine County Public Works and Development Services.
 - (1) The County will schedule material orders with the Contractor at least 1-day in advance. Contractor's acceptance of the order will bind the schedule accordingly.
 - (2) Subsequently, the County and Contractor will verify the scheduled material order on the scheduled pick-up date.
 - (3) Schedules and changes must maintain HMA mix temperatures as indicated in the Mix Design. After order verification, either the Contractor or County may request a 24-hour schedule-adjustment to accommodate weather or other emergent factors.

ii) HMA production facility qualifications include:

- (1) Produce the items for pick-up at a facility in Wisconsin.
- (2) Produce the items at a facility within 30-minutes drive time of Racine County Wisconsin.
- (3) Have the items available for pick-up according to the order scheduled order.
- (4) Have the items available for pick-up during working hours from 6:00 AM through 6:00 PM.

B. The item SPV.0195.05 Special 05 HMA Mix, Small Quantities For Routine Maintenance will be measured by the unit TON. This item will be paid for at the contract TON price, which will be full compensation for all labor, equipment, tools and incidentals necessary to complete the work.

2. SPV.0195.06 Special 06 HMA Mix, Small Quantities For Routine Maintenance – Includes Additive For Cold-weather Paving, TON

A. This work will be in accordance with section 465 of the State Specifications.

The County will award a Contract to the Bidder proposing the least total bid amount.

Depending on ambient temperature and other factors, the County will order quantities of material for normal or cold-weather paving accordingly. The County anticipates an order-schedule in accordance with the range of dates in the WisDOT Specifications: May 1, 2023 through November 1, 2023. The County provides a nominal quantity of 1 TON for bidding. Together, the Contractor and County may agree to vary the order-schedule and quantities in accord with the Contract terms.
