

Racine County
Department of Public Works and Development Services
Quality Management Program Testing
According To Wisconsin DOT Specifications
For Chapter 460 For HMA Pavement Items
Used By County For Highway Paving
Price and Availability Quote
Due Thursday June 29, 2023 at 3:00 P.M.

Quote Instructions

Please complete the price and availability quote form and return to Racine County.

The hypothetical quantities on the quote request reflect a typical highway resurfacing project. For each actual highway project, the County will adjust quantities according to project requirements. The County has tentatively scheduled 2023 Quality Management Program Testing to run for approximately 4-weeks during September, October, and November of 2023.

To send a quote by email, attach a signed copy of the quote form to a company letterhead email message. To send a hardcopy quote, enclose a signed copy of the quote form with a company letterhead message. Before the deadline on the quote form, the County will receive quotes by email at Andy.Oakes@Racinecounty.com or by hardcopy at the office of the Director of Public Works and Development Services, 14200 Washington Avenue Sturtevant WI 53177-1253.

Specifications

Execute this work according to requirements of the State of Wisconsin Department of Transportation, Standard Specifications for Highway and Structure Construction, most recent Edition. Also work according to the requirements of the State of Wisconsin Department of Transportation Construction and Material Manual, most recent Edition, and these Specifications and Special Provisions.

Where in the specifications or special provisions any of the following terms appear, they will be accepted the meaning set defined as follows:

Director: The Director of Public Works and Development Services, Racine County Department of Public Works and Development Services.

Engineer: The Manager of Planning & Engineering Services, Racine County Department of Public Works and Development Services.

Inspector: An authorized representative of Racine County assigned to make detailed inspection of the work.

State Construction and Materials Manual: The State of Wisconsin Department of Transportation, Construction and Materials Manual, most recent Edition.

State Specifications: The State of Wisconsin Department of Transportation, Standard Specifications for Highway and Structure Construction, most recent Edition.

Vendors must appear on the most recent WisDOT Roster of Eligible Engineering Consultants: <https://wisconsindot.gov/Documents/doing-bus/eng-consultants/cnslt-rgistr/roster.pdf>

Indemnification

To the fullest extent permitted by law, Vendor shall indemnify, hold harmless, the County and its officers, agents and employees from any and all claims, damages to person or property, lawsuits or liability (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court costs) resulting from the negligent acts, errors or omissions of the Vendor or any of the Vendor's agents or employees in the performance of services under this quote.

To the fullest extent permitted by law, the County shall indemnify and hold harmless the Vendor and its officers, agents and employees from any and all claims, damages to person or property, lawsuits or liability (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court costs) resulting from the negligent acts, errors or omissions of Racine County or any of the County's agents, or employees in the performance of services under this quote.

Obtain approval from the Engineer before commencing work under any of the following items.

Items

1. SPV.0045.01 Special 01 Mobilization For Sampling And Testing, DAY
 - a. This work shall be in accordance with section 619 of the State Specifications, Chapter 8 Section 815 of the State Construction and Materials Manual, and the following special provisions.
 - b. The County will provide traffic control for the active HMA paving area. Test in the traffic control area provided by the County. County traffic control meets or exceeds WisDOT standards.
 - c. This item will be measured by the unit DAY. This item will be paid for at the bid DAY price, which will be full compensation for all labor, materials, equipment, tools and incidentals necessary to complete the work.
2. SPV.0060.01 Special 01 Testing HMA Mixture QV Samples, EACH
