Re: WisDOT Project ID: 2803-03-01
Village of Raymond
County U
Intersection with County G
Racine County

Dear Stakeholder,

Please join us for a public involvement meeting to discuss the County U/South 76th Street and the County G/6 Mile Road intersection project, located in the Village of Raymond, Racine County. This is a Highway Safety Improvement Program (HSIP) intended to improve the safety of the intersection by removing the stop-controlled intersection and constructing a single lane roundabout. The intersection is currently a 2-way stop on the minor road, County G/6 Mile Road, and experiences a high traffic volume and a large amount of severe crashes. The construction of the roundabout will extend approximately 500 feet down the legs of each intersection. Curb and gutter as well as storm sewer are proposed to control drainage. The project is currently planned for 2025 construction. A project location map is attached for your reference.

This is the first of two public involvement meetings to be held during the course of the project. The meeting is scheduled for ^{Wed -} ~~Thursday~~, October 18, 2023, from 4 pm to 6 pm at the Village of Raymond Town Hall, located at 2255 76th St, Franksville, WI 53126. The objective of this meeting will be to discuss the proposed project with interested individuals and address any questions or concerns. The meeting will have an "open house" format to allow interested persons an opportunity to meet individually with project staff to view exhibits displaying pertinent information regarding the project. No formal presentation will be given.

This meeting is an opportunity to ask questions, exchange information, and offer comments regarding the project. All interested parties are encouraged to attend. We look forward to meeting with you. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting me at least three working days prior to the meeting.

If you have any questions, or if you cannot attend the meeting, but would like to find out more about the project, please contact me at (262) 886-8441 or christopher.gallagher@racinecounty.com.

Sincerely,

Chris Gallagher
