RE: Adult Protective Services Staffing Changes Requested

The Racine County Aging and Disability Services Division has undergone a thoughtful and comprehensive review and analysis of service delivery. As part of this review, it has been identified that recruitment and retention of Adult Protective Services (APS) workers is crucial in meeting the ongoing demands of workload. The APS unit has had a vacancy for the past year equivalent to a 1.0 FTE. Currently, the APS unit utilizes another staff member from crisis to assist in the coverage deficits. The current ratio of APS referrals/investigation far exceeds the staff capability, averaging over 25 referrals per month per worker. The county must continue to provide these services and ensure there are enough staff to meet the demands of referrals received from the community.

As a result, the Aging and Disability Services Division is requesting the remaining 4 contracted positions be converted to County full-time positions. This will assist with staff recruitment and ongoing retention.
