BIRCHWOOD RESERVE DEVELOPMENT CONSTRUCTION

**PLEASE EXCUSE THE INCONVENIENCE COUNTY A
(Plank Road) ROAD CLOSURE**

Construction continues on the Birchwood Reserve residential development at the corner of County W and County A. Like County W, new sanitary and storm sewer facilities will need to be constructed, crossing County A (Plank Road). Additionally, new turn lanes will need to be added to County A, requiring some roadway reconstruction. This work will require the following closures:

County A (Plank Road) will be closed on May 13, 2024, and will open on June 14th, 2024, weather dependent. The detour will divert traffic from Highway 83/36 to Highway 11 (Durand Ave) and back to County W (Browns Lake Drive). Again, local residents and businesses will have access while the detour is in effect. Please see the attached detour exhibit.

Barricades will be installed limiting access however the detour will still allow access for residents and businesses to get to their homes and businesses.

This work will be performed by Willkomm Excavating & Grading, Inc. If you have any concerns regarding the Road Closure contact:
