RESOLUTION NO. 2024-65

RESOLUTION BY THE FINANCE AND HUMAN RESOURCES COMMITTEE AUTHORIZING THE ISSUANCE AND ESTABLISHING PARAMETERS FOR THE SALE OF NOT TO EXCEED \$15,500,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2025A

To the Honorable Members of the Racine County Board of Supervisors:

WHEREAS, the County Board of Supervisors of Racine County, Wisconsin (the "County") hereby finds and determines that it is necessary, desirable and in the best interest of the County to raise funds for public purposes, including financing the cost of County building and facilities projects, equipment acquisition, and highway projects included in the County's 2025 Capital Improvement Plan (collectively, the "Project");

WHEREAS, the County Board of Supervisors hereby finds and determines that the Project is within the County's power to undertake and therefore serves a "public purpose" as that term is defined in Section 67.04(1)(b), Wisconsin Statutes;

WHEREAS, counties are authorized by the provisions of Section 67.12(12), Wisconsin Statutes, to borrow money and issue general obligation promissory notes for such public purposes;

WHEREAS, the County may issue general obligation promissory notes only if one or more of the conditions specified in Section 67.045, Wisconsin Statutes apply;

WHEREAS, general obligation promissory notes to finance the Project may be issued under Section 67.045(1)(f), Wisconsin Statutes, if approved by a vote of at least three-fourths of the members-elect of the County Board of Supervisors;

WHEREAS, the County Board of Supervisors deems it necessary and in the best interest of the County to borrow the monies needed for the Project through the issuance of general obligation promissory notes (the "Notes") pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, upon satisfaction of the terms and conditions hereinafter provided;

WHEREAS, none of the proceeds of the Notes shall be used to fund the operating expenses of the general fund of the County or to fund the operating expenses of any special revenue fund of the County that is supported by property taxes;

WHEREAS, the County has directed PFM Financial Advisors LLC ("PFM") to take the steps necessary for the County to offer and sell the Notes at public sale and to obtain bids for the purchase of the Notes; and

WHEREAS, in order to facilitate the sale of the Notes in a timely manner, the County Board of Supervisors hereby finds and determines that it is necessary, desirable and in the best interest of the County to delegate to any one of the County Executive, Corporation Counsel or Finance Director (each, an "Authorized Officer") the authority to accept on behalf of the County the bid for the Notes that results in the lowest true interest cost for the Notes (the "Proposal") so long as the Proposal meets the terms and conditions provided for in this Resolution by executing a certificate in substantially the form attached hereto as <u>Exhibit A</u> and incorporated herein by this reference (the "Approving Certificate").

NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors that there shall be issued general obligation promissory notes of the County in a principal amount not to exceed \$15,500,000 for public purposes, including financing the cost of County building and facilities projects, equipment acquisition, and highway projects included in the County's 2025 Capital Improvement Plan; and

Said Notes are redeemable as a whole or in part, and if in part, from maturities selected by the County, and within each maturity, by lot (as selected by DTC (defined herein)), at the principal amount thereof, plus accrued interest to the date of redemption.

<u>Section 4. Form of the Notes</u>. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as <u>Exhibit B</u> and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the County a direct annual irrepealable tax in each year during the term of the Notes in such amounts as are sufficient to meet the principal and interest payments due on the Notes in the following year, which amounts are to be set forth in the Approving Certificate. The amount of tax levied in the year 2025 shall be the total amount of debt service due on the Notes in the years 2025 and 2026; provided that there is debt service due on the Notes in 2025 and that the amount of such tax carried onto the tax rolls shall be abated by any amounts appropriated pursuant to subsection (D) below which are applied to payment of principal of or interest on the Notes in the year 2025.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After

the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

(D) Appropriation. To the extent necessary, if any, the County hereby appropriates from proceeds of the Notes or other funds of the County on hand a sum sufficient to be irrevocably deposited in the segregated Debt Service Fund Account created below and used to pay interest on the Notes coming due in 2025, if any, as may be set forth in an attachment to the Approving Certificate labeled as Schedule IV.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There shall be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes, Series 2025A" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the County above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to

reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the County and disbursed solely for the purpose or purposes for which borrowed or for the payment of the principal of and the interest on the Notes. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the

County charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

<u>Section 11. Payment of the Notes; Fiscal Agent.</u> The principal of and interest on the Notes shall be paid by the County's Finance Director (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Notes. The County shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book.

No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the County Clerk or other authorized representative of the County is authorized and directed to execute and deliver to DTC on behalf of the County to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the County Clerk's office.

Section 15. Condition on Issuance and Sale of the Notes; Report of Results of Sale. The issuance of the Notes and the sale of the Notes to the Purchaser are subject to approval by an Authorized Officer of the principal amount, definitive maturities, redemption provisions, interest rates and purchase price for the Notes, which approval shall be evidenced by execution by an Authorized Officer of the Approving Certificate.

The Notes shall not be issued, sold or delivered until this condition is satisfied. Upon satisfaction of this condition, any one of the Authorized Officers is authorized to execute a Proposal with the Purchaser providing for the sale of the Notes to the Purchaser.

For informational purposes only, the Finance Director shall provide to the Finance and Human Resources Committee and the County Board of Supervisors, at their meetings following the execution of the Proposal, a report regarding the results of the sale of the Notes.

Section 16. Official Statement. The County Board of Supervisors hereby directs the Authorized Officer to approve the Preliminary Official Statement with respect to the Notes and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officer or other officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The County Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

<u>Section 17. Undertaking to Provide Continuing Disclosure</u>. The County hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written

undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the Chairperson and County Clerk, or other officer of the County charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

<u>Section 18. Record Book.</u> The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

The Notes shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable.

This Note is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Notes, and the County appoints another depository, upon surrender of the Note to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Note in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. The Fiscal Agent and County may treat and consider the Depository in whose name this Note is registered as the absolute owner hereof for the

purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Notes are issuable solely as negotiable, fully-registered Notes without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Racine County, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.
