5 **INFORMATION ONLY**  
6

7 **WHEREAS**, funds were designated in the 2012 Sheriff's Office jail budget for food service  
8 items; and  
9

10 **WHEREAS**, through contract negotiations these items will be purchased for the Sheriff's  
11 Office by ARAMARK; and  
12

13 **WHEREAS**, the Sheriff's Office is requesting a transfer and a change in purpose of funds  
14 in order to purchase equipment that would increase the productivity of their department; and  
15

16 **WHEREAS**, said equipment consists of a dual imaging sonar with GPS chart plotter  
17 device for the dive team and video monitors on 3B for Court holding cells; and  
18

19 **WHEREAS**, the purchase of a dual imaging sonar with GPS chart plotter mounted on the  
20 Zodiac would enable the dive team to:

- 21 • Survey an area prior to departure via built in maps for establishing search
- 22 grids, hazards present and depth contours.
- 23 • Determine the current depth of water, bottom composition and water
- 24 temperature.
- 25 • Effectively scan the bottom for potential victims/evidence/obstructions.
- 26 • Plan and track areas of the waterway searched via onboard GPS/chart
- 27 plotting software.
- 28 • Download above captured data for reporting purposes and analysis; and  
29

30 **WHEREAS**, the purchase of two (2) video monitors on wing 3B of the Racine County Jail  
31 would enable jail staff to move inmates that are on wing 3A over to wing 3B (currently empty)  
32 which would allow for improved coverage and monitoring thus utilizing manpower more effectively  
33 and potentially reducing some overtime costs on 3<sup>rd</sup> shift.
